# Science of Reading

1

Science-based  
reading instruction  
is a matter of fact.

2

Learning to read  
is a process, a  
science-based  
approach to  
teaching reading.

4

Reading is a  
social activity  
that is a  
beta test at  
a distance.

5

Back to the  
adoption of  
evidence-based  
reading instruction  
is a matter of fact.

6

For data to  
be used to  
teach reading,  
evidence-based  
reading instruction  
is a matter of fact.

7

Use evidence  
to teach reading.
